If this goes haywire then,

I'm going to kill them all... Damn comics...!

How can I assist you?

I'm here
for the "Beijing"
massage.

I'm sorry,
this is Shanghai.
You need to go to Beijing
for that massage.

Then I'll just have what
-ever Mao Zedong got.

Right this way.

Stop the
pleasantry, this
room is not topped
Why the heck are you
talking like a cheap
movie actress from
Hong-kong?

Hells

This is the
contact person that
General Jung introduced,
jack ass.

How was
the drive thru rain,
agent Han?

Shut the fuck up!
General Jung told me that
you've already opened up the
sample! Why the hell did you
analyze the sample and
reveal the formula?

I thought
you guys had a deal
with General Jung!

So, the guy we've apprehended is not from North Korea?

Affirmative all the data on North Korean espionage agents and higher ranking officials are updated on daily basis.

After the target was identified, I've even checked our database in the Shanghai branch. It turns out that they were following the same target as we were. But with the current situation, they were uncertain about bringing him in.

Why can't we talk to the target? I thought he was an ex-agent?

I hate to make a hasty decision...

But the big guy's suspicion is spot on. The copy of my latest findings on this subject was sent to your hand device. This report is strictly confidential and hasn't been filed upstairs yet. You can take a peek and make a decision for yourself.

Why are you so careful on this case?

MANU-BELONG T2^{XXXX} SIDE ATTACHMENT

IDENTIFIED AS AN ESPIONAGE AGENT

FROM THE REPUBLIC OF CHINA

*Internal Use Only, Republic of China Branch

Well, our divine leader
always preaches that we do the
right thing at the right time and our people
at the embassy acted a little hastily on our
behalf on the off chance it backfired

Ever wise, our leader
ominously assumed the South could not be
trusted. So we believed that we would have the upper
hand on the situation by kidnapping the agent
and exterminating the Southern branch,
as requested by the
ambassador

Let's think about this logically. Even though we have the same common goal, isn't it better to have a bigger army when you're negotiating in war? So, the weaker side can yield unconditionally?

GOD DAMN
A-HOLE.

So, in the end, even though we were chasing the same target, you eliminated my people because you wanted full control! Fucking bitch!

First and foremost, captain, my gratitude to the South.

What?

It's been an extremely difficult situation to investigate publicly, but since you guys were doing all the work, We've decided to take a back seat.

YOU DOUBLE
FACED CONARDS
STOP THIS B.S. AND
LET ME TAKE ON
ALL OF YOU!

YOU'VE JUST
USED MY PEOPLE
AS A BIG SHIELD
TO COVER UP YOUR
ASSES.

I'M GOING

LEADER AND I'M
GOING TO SAVE MY
PEOPLE. THAT'S
ALL I WANT!

Ok , captain.

Do you
think you can
handle it?

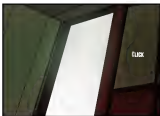

AAAAAAAAH...
CRAP

BANG

Just look
at your current
situation.

Captain Han? We have a big problem!

The Satta...they moved in
to take out Mo-Nan..

WTF

They cleared out the same
time as you left to get here..

Go up
and help out
the scouts. I'll be
right up there
shortly

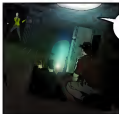

Agent Han,
they are going to
the rendezvous point for
sure. Knowing Full well that
no one is watching
right now.

Aren't you
ashamed? A supposedly
national elite agent. We
really need to nail this
case to get some
recognition.

Right on,
technically we
don't report directly
to Captain Han anyway,
we just have to complete
the mission! Our captain
will cover our backs
For sure!

WHAT...
RIGHT NOW!

YOU BUNCH
